

THE INAUGURAL WORLD CONGRESS OF TRICHOLOGY

The **World Trichology Society** is delighted to announce that it will be hosting the **INAUGURAL World Congress of Trichology 2022**

This World Congress will be bringing together Trichological and Hair-Loss Organizations from around the world under the same roof for the very first time!

The theme of the Congress is:

**Educating, Growing, & Connecting
the World's Trichology Community**

to encourage collaboration between organizations for the betterment of trichology, trichologists, and other hair specialists.

Learn new clinical skills or refresh your expertise with practical hands-on trichological methods such as:

- starting your own trichology clinic
- consultation procedures
- setting up blood testing for your clients/patients
- analyzing & treating difficult cases
- latest treatments available for trichologists
- marketing your trichology center
- continue to grow your business
- future trends
